

Café Main Street

Welcome!

We are a small quaint cafe located at 553 Main Street in the historic Victorian village of Ferndale, CA. We provide delicious breakfast dishes (served all day), a variety of lunch specials, dinner, espresso, coffee, teas, refreshing cold beverages, and a choice of local wines, beers, and ales. Our coffee, provided by Muddy Waters, is organic and locally roasted. Our fresh, seasonal dishes are prepared with only the finest quality ingredients.

While enjoying our menu and beverage selections enjoy a variety of art produced by local artists, or bring your laptop and surf the internet with free Wi-Fi. We showcase different artists each month and are proud to be able to support and promote the work of the many talented people who live in and around our community. If you love to listen to live music, we offer live music with some of the most local talented musicians in the area every Friday evening. And if you're looking for a special gift for someone who enjoys the culinary arts, check out our exclusive collection of specialty food items for sale at the cafe.

If you're planning a special event, we offer fine catering services for weddings and parties of all kinds and can customize the menu, decor, and decorations to meet your personal needs. We're always happy to discuss your catering needs, so don't hesitate to ask us about your special event ideas. We also provide exclusive catering services for Terry's Garden, a premier event venue on a stunning country estate right here in Ferndale valley. We can co-ordinate and cater your event from start to finish. If you'd like something closer to town, you may rent the cafe itself for a special luncheon or private party. Just call us and let us know what you have in mind. We'd love to hear from you.
