RE: Authorized Encampment Workshop

On February 28<sup>th</sup>, the City of Eureka will be hosting a workshop to describe and discuss the approval process and requirements to establish an authorized encampment. The workshop will include presentations from both the City and Humboldt County about their Emergency Shelter ordinances and each agency's conditions of approval to create a shelter space for community members with tent structures or tiny homes.

The meeting will be hosted in City of Eureka Council Chambers on the 2<sup>nd</sup> floor of Eureka City Hall, 531 K Street, Eureka. The meeting will start at 530pm and will be a public meeting for all interested community members. After the presentations, there will be an open public forum for the presenters to respond to comments and answer questions from the public.
