RENO, Nev., (September 29, 2021) -- ExpressJet Airlines announced the launch of short, nonstop flights between Eureka/Arcata and Reno-Tahoe International Airport, starting Nov. 9, 2021.

Convenient Nonstop Flights = More Vacations and Trips

Flights will operate each Tuesday, Thursday and Sunday departing California Redwood Coast – Humboldt County Airport at 11:25 a.m. PT arriving in Reno-Tahoe at 12:35 p.m. PT. The quick 1 hour and 10 minute nonstop flight eliminates the need for time consuming connections at crowded hubs or a long drive. Nonstop flights give travelers more time for adventure and less time traveling making short, spontaneous vacations possible. Return flights will operate on the same days, departing Reno-Tahoe at 9:30 a.m. PT and arriving in Humboldt County at 10:40 a.m. PT.

“We are extremely excited to welcome another new airline partner, aha!, to ACV and Humboldt County,” said Cody Roggatz, aviation director for Humboldt County. “This new service will provide Humboldt County Residents nonstop airline access to all of the entertainment and adventure options exclusive to the greater Reno-Tahoe Region through their local hometown airport.”
